## Superintendent's Report

---

To the School Board and Citizens of South Hampton:

I herewith present my fourth annual report as Superintendent of the South Hampton schools.

### TEACHING STAFF

	Trained at	Experience
Gladys Gilmour	Gorham N. '27	9
Kathryn Walsh	Keene N. '36	0

You will notice from the above that an entirely different corps of teachers is now at work in your schools. Both Miss Shaffner and Miss Tucker accepted, after a very successful experience in your midst, more lucrative positions in our neighboring state. To fill the vacancies created, Miss Walsh of Manchester was secured for the grammar grades and Miss Gilmour of Kingston, an experienced teacher, for the primary grades. Time makes changes but our children do not wait for adjustments, so the work must go on and forward.

### PUPIL ACHIEVEMENT

The following table will show how the pupils of South Hampton were classified by grades, according to May, 1936 test scores:

	Reached or Bettered Grade	Below Grade
Grade II	4	0
Grade III	5	0
Grade IV	3	0
Grade V	4	0
Grade VI	4	1
Grade VII	4	0
Grade VIII	3	0

This above represents a very good showing on the part of pupils and teachers—a factor indicative of better grading and pupil placement. Some districts labor under a 20 or 25 per cent below grade status with no apparent fear or dismay. I am sure you will join with me in commending these splendid achievements as illustrated above.

### PERFECT ATTENDANCE

I am pleased to list the following pupils as perfect in attendance during 1935-36, and to include the parents' names as well:

Pupil	Parent
Lucy Hellen	James Hellen
Natalie Evans	Joseph Evans
Frances Sheffield	Joseph Sheffield
Ralph Brown	Harry Brown
Mary Mertinooke	M. Mertinooke
Anna Santosusso	M. Santosuosso
Marion Inglis	William Inglis

### STATISTICS FOR THE YEAR ENDING JUNE 30, 1936

Number of pupils registered	28
Number of half-days in session	350
Average membership	27.11
Average attendance	26.26
Per cent of attendance	96.86
Pupils not absent nor tardy	7
Cases of tardiness	18
Pupils transported at district expense	12
Visits by superintendent	40
Average number of visits by superintendent per teacher	20
Visits by citizens	166
Visits by school board	4
School board meetings	5

### HEALTH SUPERVISION

Of the 28 pupils examined during the school year,

1935-36 the following cases were found and treatments made:

	No. of Cases	No. of Treatments
Underweight	5	5
Defective vision	4	4
Nervous condition	2	2
Defective teeth	12	10
Defective breathing	1	1
Defective speech	1	1
Pediculosis	4	
Skin diseases	8	

### GRADUATES IN JUNE 1936

These pupils were graduated from your eighth grade:

\*Edith Anderson      \*Marion Inglis      Nancy Santosuosso

The pupils with a star in front of their names, entered high school last September.

Aside from these eighth grade graduates who entered high school the following are now at the institution named:

#### Sanborn Seminary

Idella Hellen	Grade 11
Dorothy MacDougall	Grade 11
Elizabeth McLean	Grade 11
John Shippee	Grade 11
Guy Smith	Grade 11
Jewell Currier	Grade 10
Fred Hellen	Grade 10

#### Exeter High School

John Sheffield	Grade 10
----------------	----------

#### Amesbury High School

Shirley Evans	Grade 12
Andrew Mertinooke	Grade 11
Sarah Brown	Grade 9
John Cressy	Grade 11
John Santosuosso	Grade 11

## FINANCES

A comparison of school costs of this Union should be of interest to you:

## PER PUPIL COSTS 1935-36

	Per pupil cost	State Aid Per Pupil	1935-36 Net to District	1932-33 Net to District
Brentwood .....	57.91	22.16	35.75	38.33
Danville .....	73.21	27.98	45.23	39.16
E. Kingston .....	84.53	30.75	53.78	84.73
Epping .....	48.84	20.41	28.43	34.12
Fremont .....	56.09	15.35	40.74	51.14
Kingston .....	66.08	19.95	46.13	48.16
Sandown .....	74.21	33.55	40.66	44.86
South Hampton .....	116.77	44.07	72.70	82.56
State Median .....	77.93			

You will notice from this tabulation, in the net figure column the effect of State Aid upon your costs. Your net cost is the highest in this Union, yet is not excessive and is explained by the small number of pupils enrolled. To operate as now set up, demands a certain rather fixed overhead charge which must make a high average cost if charged off to a small enrollment. The present organization could readily accommodate twice the number of pupils than now on the rolls.

## CURRENT COST OF PUBLIC EDUCATION

Per \$1000 of equalized valuation 1935-36, for some of the 242 districts in the state including those of this union:

	Local Dist.	State Aid	Tot. Elem.	High School	Other Current	Tot. Current	
1 Monroe .....	1.70		1.70	.47	.09	2.26	Lowest
8 Hampton .....	3.47		3.47	1.35	.47	5.29	
106 Fremont .....	5.59	2.28	7.87	1.75	.81	10.43	
122 Derry Town .....	5.63	.27	6.80	3.47	.88	11.15	Median

171 Kingston .....	5.82	2.82	8.64	4.42	.86	13.92

If you compare your "local district cost" with the "high school cost," you will notice that the comparatively large number of high school students from South Hampton is reflected there as the cost for the latter approaches that of the former. I believe it is your desire that the pupils should attend high school so this is no condemnation but rather calling your attention to the share of the taxation burden this expense bears.

## MUSIC

An innovation has been started this year in the field of music teaching in the schools. Prior to this year three districts of this Union had supported a music teacher and supervisor. The other five districts relied upon the varying talents of their teachers to carry on the program in this important phase of cultural and leisure-time attainments. So, with a desire to see the development and coordination of these efforts, the State Department of Education offered to finance the salary of a music teacher in all state-aided districts provided a whole Union would finance the necessary travelling expense. This offer was placed before every board in this Union and accepted this Fall. The organization was completed and became effective November 30, 1936.

In the short time that the plan has been in operation, we find a hearty response to its effectiveness and value. The schools in which the plan is not new are pleased for its continuance and those in which no supervisor formerly taught are enthusiastic for the innovation. I am happy to say that I believe this plan for music instruction of this type is the most important development we have accomplished

during my tenure in this office. A warning to all concerned was given that the expectation of results need not be great for the remainder of the year but our fondest hopes have been exceeded by the accomplishments to date.

Financially, this arrangement has proved a help to those districts in which a supervisor had been employed. The salary proportion for which they are responsible now becomes a part of State Aid whereas they formerly bore the whole cost. The five new districts have added but a small charge for travelling expense, the salary being no charge whatsoever.

### CONCLUSION

I am again pleased to report the genuine cooperation of a conscientious teaching staff and the sympathetic guidance of an interested School Board. The work of the year has been both pleasant and profitable for pupils and school officials.

Very respectfully,

HAROLD C. BOWLEY,  
Superintendent of Schools.
